MAINE RECYCLES WEEK

November 15-19, 2021

A week-long celebration of waste reduction and sustainability in Maine!

Are you good to Maine? Do you compost? Donate to reuse stores? Repair items before throwing them in the bin? Celebrate Sustainability and **Be Good to ME!**

- Tour a local recycling facility
- Hold a poster contest
- Host an upcycling competition
- Hold a public waste audits

- Host a recycling open house or trivia social
- Hold a compost workshop
- Host a "buy recycled" fair
- Organize a cleanup event
- Give away recycling bins

- Write an op-ed about waste reduction and/or sustainability
- Ask local businesses to examine the recyclability of their items

- Eliminate single-use items
- Update post-consumer procurement policies
- Join a recycling commitee
- Declare Nov. 15-19 Maine Recycles Week in your town

- Repair items and goods
- Find refill shops to reduce
- Give out reusable totes
- Promote reuse discounts (like travel mugs)
- Use for paperless options
